eco-friendly bags

*It's easier than you think to break up with your plastic bags!*

## Use It Again Sam® bags folding instructions

---

1. Turn the bag inside out.
2. With pouch on the right fold so that the bottom fold is flush with bottom of pouch edge, continue to fold till edges top and bottom are flush with the pouch edges.
3. Fold this in half toward the pouch and then fold two more times, it will then be the size of the pouch.
4. Invert this into the pouch. Voilà!
